- Double sided hemming
- Protects floors, carpets, furniture & equipment from paint splatter
- Available in six different sizes

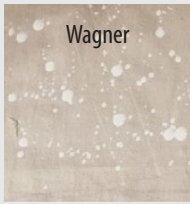

www.wagneraustralia.com.au

Heavy Duty Drop Sheet (Pro Series)

Extra Thick Cloth

Offers superior protection.

Perfect splatter test results. No seepage to the surface below.*

Splatter test result: 4 areas where paint had leaked through to the surface below (circled in yellow).*

Double Stitched Hemming

More secure floor placement and durability.

Competitor Canvas: Single stitched hemming.

Heavy Duty

Wagner Painters Drop Sheets are classified as Heavy Duty (HD) by the independent testing body - Australia Wool Testing Authority (AWTA), with an 8.0 ounce + weight rating.

100 % Natural Cotton

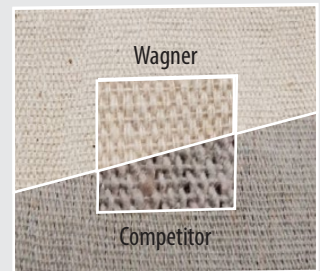

Premium grade 100% cotton for long lasting, hard wearing, stronger cloth and a whiter, more appealing appearance.

Inferior grade cottons, cotton/polyester blends and recycled waste product used in competitor's drop cloths, producing a grey appearance.

Tight Duck Weave

Tighter weave pattern and heavier canvas for less paint seepage and greater durability.

*Interior acrylic paint was randomly splattered onto drop sheets as if in use. The drop sheets were left for one hour in a room at approximately 22 °C.
