

FLEXIO ELITE

Adjustable spray jet width

Narrow or wide depending on the object to be painted.

Variable delivery rate

Paint flow can be adjusted depending on the size of the project and your working speed.

Variable air flow

For the perfect application of thick and thin paint.

X-BOOST turbine

Three times more powerful than traditional high-volume, low-pressure sprayers, enabling it to spray any coating undiluted

Universal Extra Extension 60cm

Extend the reach of your sprayer and maintain control

Ideal extension for paint spraying systems for easy spraying of walls, ceilings and decking

Varnishes and stains can be applied to floors or wooden terraces more conveniently.

1.3L Spray attachment with i-SPRAY nozzle

Specially designed for greater coverage & finish of walls ceilings & rough surfaces (i.e. broad walls, facade, rough sawn fences)

CLICK & PAINT

The spray attachment simply clicks in and out to quickly change paint, refill or clean the gun. Easily change the attachment depending on the requirements of the job. Additional spray attachments available. Sold separately.

MOTOR RATING	630W
