

INTRODUCING

TITAN®

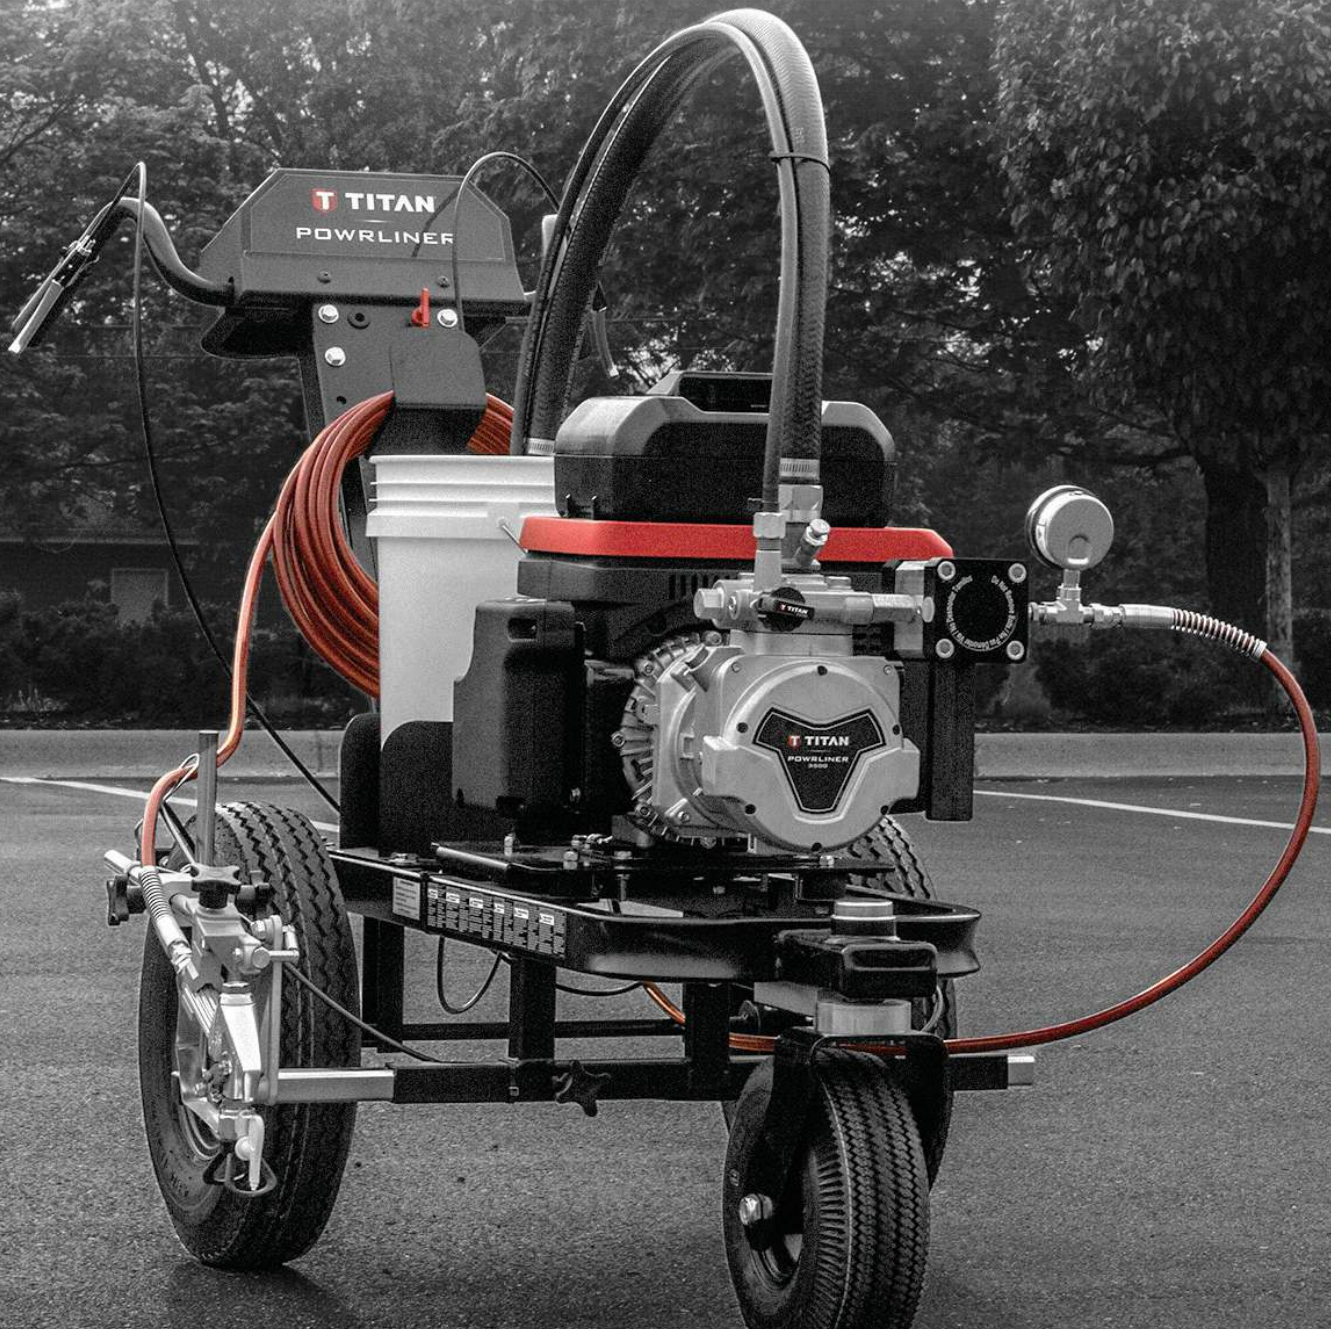

POWRLINER™

3500 72V

**BATTERY-POWERED,
SEALED HYDRAULIC LINE MARKER**

SCAN FOR PRODUCT
DETAILS, VIDEOS
AND RESOURCES

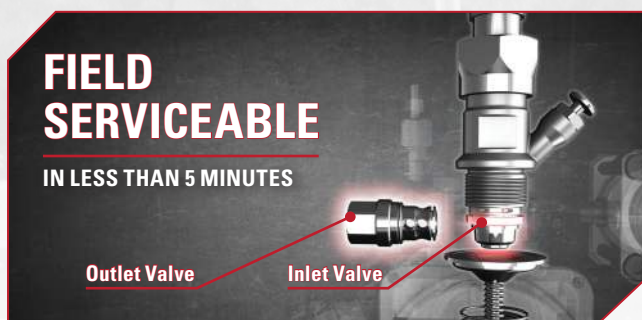

- Revolutionary PermaStroke Technology™, which has no piston, packings, cylinders, or clutch to replace.
- Removable battery that can be swapped with second (optional) battery for continuous line marking with no downtime.
- Ability to swap petrol engine to an eGX on the same frame.

POWRLINER 3500 72V

BATTERY-POWERED, SEALED HYDRAULIC

PERMASTROKE TECHNOLOGY

Elite performance and ultimate durability.

UNBEATABLE PERFORMANCE

- Delivers consistent pressure and zero hour glassing for an ideal spray pattern
- Easy priming guaranteed every time through the Sureflo™ Pusher valve
- Provides ideal fan patterns at pressures from 300 to 3300 psi, including small and large spray tip sizes
- Ultra smooth operation and consistency guaranteed with FlatLine Pulsation Dampener™

UNMATCHED DURABILITY AND RELIABILITY

- Offers peace of mind with PermaStroke Technology, no pistons, packings, or cylinders to wear out and no clutch to replace
- Quickly field serviceable, change out the cartridge-style **inlet and outlet valves** in less than 5 minutes with common tools
- Protected by Titan's WearGuard Elite Lifetime Fluid Pump Warranty

Powered by

HONDA

BATTERY POWER, PETROL PERFORMANCE

HONDA eGX MOTOR

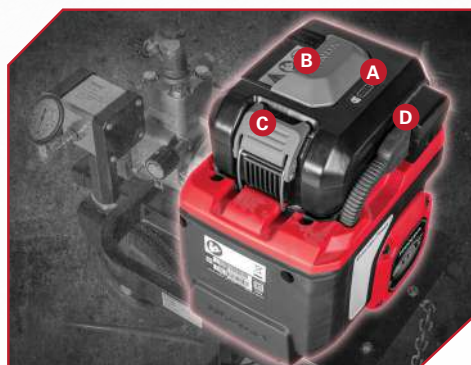

- Brushless DC motor is reliable and durable
- Extremely quiet performance lets you extend work hours
- Greatly reduces vibration compared to petrol-powered units for ultra smooth lines

LITHIUM-ION BATTERY PACK

- Removable battery means no plugging the sprayer into an outlet
- Swappable battery means no down time in the field (second battery sold separately)
- Less than one hour recharge time

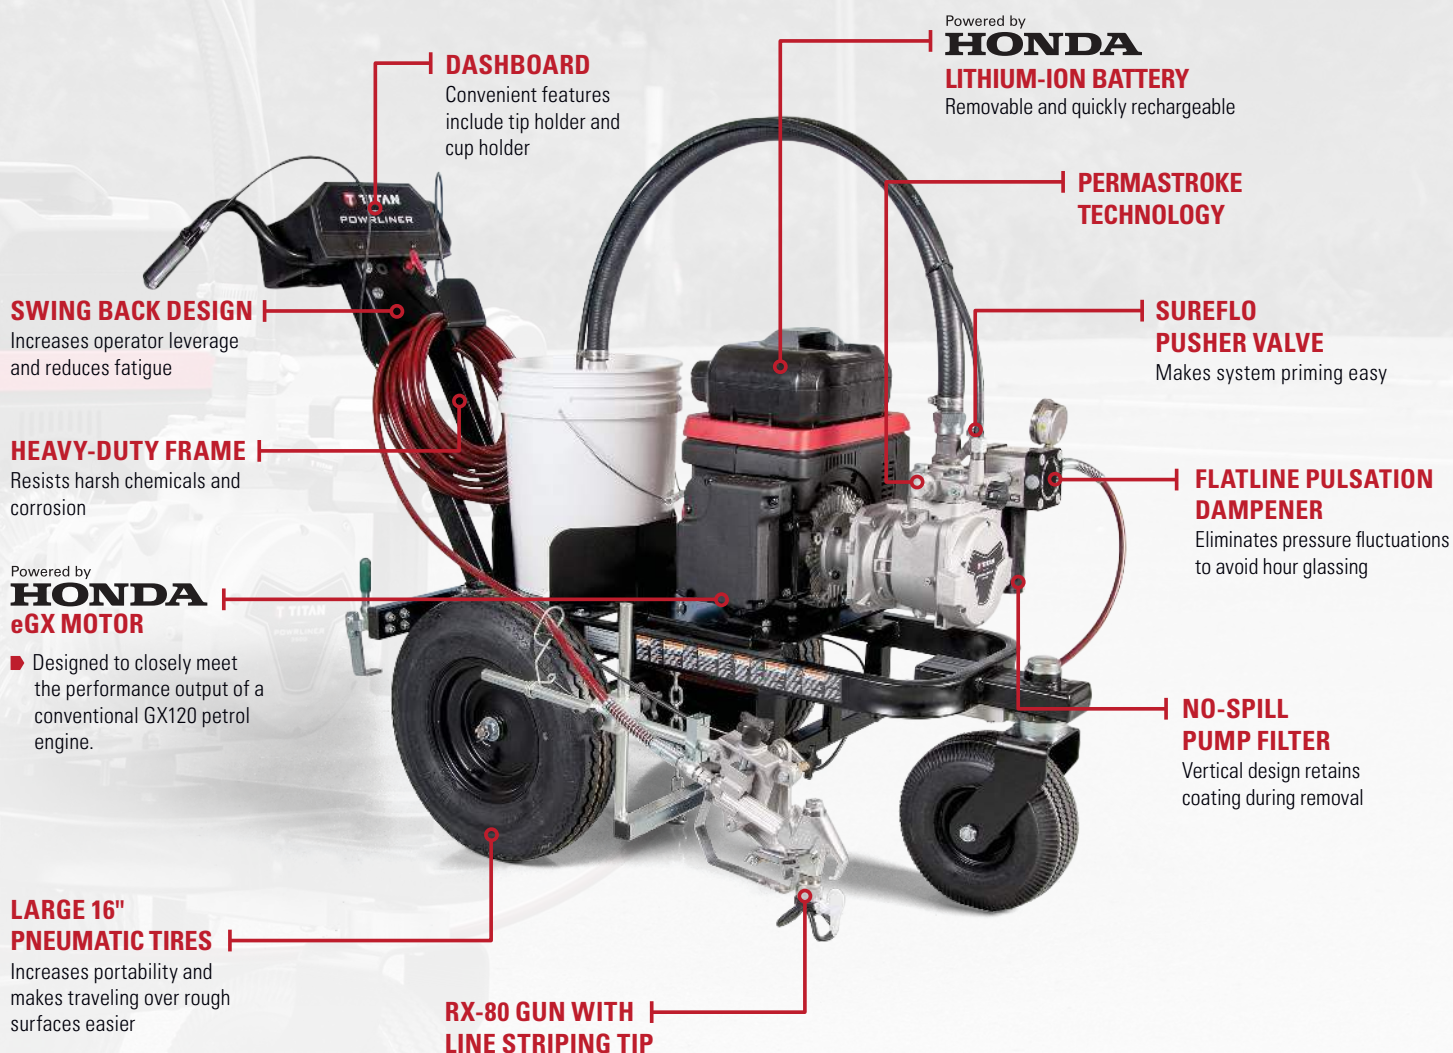

HONDA 72V BATTERY

POWRLINER 3500 72V

SPECIFICATIONS	
MAX DELIVERY	2.8 l/min
MAX OPERATING PRESSURE	3300 psi
MAX TIP SIZE (1-GUN)	0.027"
WEIGHT (WITHOUT BATTERY)	84 kg
WEIGHT (WITH BATTERY)	91 kg
UPC	0024964306145
PART NUMBER	2445730B

LINE MARKER

SPRAY GUNS		
DESCRIPTION	PART NO.	
RX-80™ 4-finger Gun w/517 Tip	538007	
RX-80 2-finger Gun w/517 Tip *	538008	

AIRLESS HOSES		
DESCRIPTION	PART NO.	
1/4" x 15m 3300 psi *	316-505	

SPRAY TIPS & ACCESSORIES		
DESCRIPTION	PART NO.	
Line Striping Tip *	697-xxx	
No Build Tip Guard *	0289228	
Tip Seat and Seal Kit (5 pack)	661-020	

FILTERS		
DESCRIPTION	PART NO.	
White 60 Mesh (2-pack)	500-200-06	

LUBRICANTS AND CLEANERS		
DESCRIPTION	PART NO.	
Liquid Shield™ 946mL*	314-482	

LINE MARKER ACCESSORIES		
DESCRIPTION	PART NO.	
Paint Hopper (45L)	0555910	
LineSite Laser	0290175A	
HandiBead™ Bead Dispenser	0290953A	
WindGuard™ Spray Shield	0290623	
Stencil Gun Kit	2418165	

REPLACEMENT VALVES		
DESCRIPTION	PART NO.	
Inlet Valve	0344700	
Outlet Valve	2413371	
Inlet and Outlet Valve Repair Kit	537903	

STENCIL KIT 1		
INCLUDES	PART NO.	
39" (99 cm) Handicap	0290932	

STENCIL KIT 2		
INCLUDES	PART NO.	
39" (99 cm) Handicap	0290933	
12" (30 cm) No Parking		
12" (30 cm) Numbers 0–9		

STENCIL KIT 3		
INCLUDES	PART NO.	
42" (105 cm) Straight and Curved Arrows	0290934	
39" (99 cm) Handicap		
12" (30 cm) Numbers 0–9		
4", 12" (10, 30 cm) No Parking		
4", 12" (10, 30 cm) Fire Lane		
4" (10 cm) Reserved		
4" (10 cm) Visitors		

BATTERY ACCESSORIES		
DESCRIPTION	PART NO.	
Battery *	2445452	
Battery Charger *	2445453	

* Included with each PowrLiner 3500 72V.
LS-10 Liquid Shield is provided in a 118mL trial bottle.

FREQUENTLY ASKED QUESTIONS

WHAT IS PERMASTROKE TECHNOLOGY?

It is a sealed hydraulic system with no electronics which delivers top performance using small or large tip sizes at pressures from 300 to 3300 psi. There is no piston, packings, cylinder, or clutch to wear or burn out.

WHAT IS THE PURPOSE OF THE FLATLINE PULSATION DAMPENER?

It eliminates all pressure fluctuations to avoid hour glassing in the system, providing smooth operation and consistent line quality.

IS THIS MARKER FIELD SERVICEABLE?

Yes. The one-piece, cartridge-style inlet and outlet valves make repairs simple, fast and inexpensive.

IS THERE A LOSS OF PERFORMANCE WHEN STRIPING WITH A BATTERY UNIT?

No. Like the petrol powered PowrLiner 3500 (0537015), the PowrLiner 3500 72V supports a 0.027" max tip size, 2.8 L/min performance, and delivers smooth line quality.

CAN THIS LINE MARKER BE STORED WITH MINERAL SPIRITS OR HOT SOLVENTS?

Yes. After flushing the fluid path, either mineral spirits or hot solvents can safely remain in the unit.

CAN I USE THIS LINE MARKER WITH A LAZYLINER?

Yes. By simply attaching a ball hitch kit (537935) to the line Marker, you can add a ride-on LazyLiner driver, allowing you to complete jobs up to four times faster and increasing operator comfort. Though, the LazyLiner driver is powered by a Honda petrol engine.

WHAT MATERIALS ARE COMPATIBLE WITH THIS LINE MARKER?

This Marker can apply water-based and solvent-based coatings.

CAN I CONVERT MY EXISTING TITAN POWRLINER 3500 PETROL TO AN ELECTRIC 72V?

Yes. You can swap the GX120 Petrol engine to an eGX motor on the same frame.

CAN I ADD A DEDICATED STENCILING GUN TO THIS LINE MARKER?

Yes. The stencil gun kit (2418165) is compatible with the PowrLiner 3500 72V.

ARE THERE PERIODIC eGX MOTOR SERVICING RECOMMENDATIONS?

There is no regular maintenance that needs to be performed besides wiping down the outside and making sure the battery connection stays clean of debris.

DURING WET WEATHER, IS ANY SPECIAL PROTECTION NEEDED FOR THE eGX MOTOR OR BATTERY?

The eGX system has an IP55 rating (product is water resistant) so you will not damage it if you spray it off with a hose or if it gets rained upon.

HOW LONG DOES THE BATTERY LAST ON A SINGLE CHARGE?

The PowrLiner 3500 72V battery can attain spraying time durations of 1.50 to 1.75 hours, but will vary by coating, tip size, and line pattern.

HOW LONG DOES IT TAKE TO RECHARGE THE BATTERY?

Typically, battery charging takes less than 60 minutes.

WHAT IS THE WARRANTY FOR THE HONDA eGX SYSTEM?

Honda provides a 3 year warranty on their motors, batteries, and chargers.

INCLUDES AN ELITE LIFETIME WARRANTY
ON THE HYDRAULIC FLUID PUMP

PowrLiner 3500 72V Warranty Information

Four-Year Manufacturer's Defect* – We pledge that our sprayers are free from defects in materials and workmanship.

Lifetime PermaStroke Technology – If the fluid pumps fails for any reason, including wear, we will replace it at no cost.

Honda eGX System – Honda provides a 3 year warranty on their motors, batteries, and chargers.

*Manufacturer's Defect Warranty excludes normal wear items and consumables such as filters, piston, packings, spray tips, spray guns, hoses, etc.
